Continuous User Connect - Questionnaire

Hello, ma'am/ sir, I am XX. I am calling to know more about your experience of using GyanTV app. We would like to have 5 mins of your time. Is this the right time for the conversation?

Content consumption behaviour

- What time of the day do you usually watch the content (Morning, evening, during commute, before sleep)? (Do not lead, allow the user to convey)
- How much time do you typically spend on the app? (Example - Once the user opens the app how much time does he/she scroll or watch content)

Content preference

- What categories or topics are you most interested in (for example: business, AI, stock market,communication skills)? Why?
- How are these topics helping you in your day to day life?
- Are there any topics you feel are missing or should be added?
    - How will this help you?
- Do you prefer short videos or long in depth content? Why?

Demography

- Sir/ madam, could you please let me know your complete name?
- Your age, location
- What is your occupation?
- What is your highest educational qualification?

Motivation to use the app

- What motivates you to watch the content on Gyan TV app?
- How do you decide which video to watch? (by seeing Title, thumbnail, length etc)
- Do you ever share content with others?
    - If Yes, what kind of content? To whom do you share and why?

User Experience & Feedback

- How satisfied are you with the quality of content on Gyan TV?
- Is the content easy to understand and engaging?
- Have you faced any challenges in finding or watching the content?
- What could improve your overall experience with the app’s content?

Competitor app usage

- Do you use or follow any other platform/ youtube channel for learning apart from Gyan TV?
    - **If Yes -** Which platform or channel? What type of content do you watch the most in that app? Why?
    - How did you get to know about that app?
- Since when are you using this app?(If the user was already using another app before Gyan TV, **then ask -** what made you start using Gyan TV? (What motivated you to try it?) (Eg - better content, quality, pricing)
- How is the content quality on the competitor platforms compared to GyanTV?
- How do you consume the content in the competitor platforms (Video/ audio) why? (If user conveys he prefer watching video **then ask -** why don't you prefer audio over video)
- Which app do you feel is the best? Why?

    If user says he likes the competitor app then ask below questions -

    - What kind of content do you like the most in the competitor platforms?
    - Have you taken any subscription there? If Yes - how much did you pay?
    - If you have to use any one platform, which one do you prefer to use? / If you have to keep only one learning app on your mobile then which one do you prefer? Why?

Suggestions:

- Do you have any other suggestions on improving content on Gyan TV?
- Would you recommend Gyan TV to others? Why or why not?
- If we could improve one thing in the Gyan tv content, what should it be?
